ELLSWORTH'S PENNANT SALE WEDNESDAY MORNING ONLY. Big bargains at Ellsworth's Wednesday morning. Half Price Sale—See Ellsworth's ad on society page.—Adv't.

All household interests will be well advertised through The News-Times Want Ads.

Cocoon Oil Makes A Splendid Shampoo. If you want to keep your hair in good condition, be careful with your wash.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulisified cocoon oil (which is pure and entirely greaseless), is much better than the most expensive soap or shampoo you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two tea-spoonsful will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get mulisified cocoon oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.—Adv't.
